Dear Keith Gordon,

With the ever increasing layoffs in Alaska I feel that this Donlin Gold Project is extremely beneficial to Alaska.

My understanding is that this will create 3,000 construction jobs for 4 years and between 600 and 1,200 jobs for the 27.5 estimated life of the mine, will have a significant and positive impact on the economy of the region and the Alaska.

The desire for good employment opportunities and training for Alaskans is only one of the many reasons my friends and family support this Alternative 2, Donlin Gold Project.

Thank you,  
Michelle Holland
