

Comment Form

The Corps welcomes your comments on the Draft Environmental Impact Statement. If you'd like to mail your comments, please feel free to use this form. Write your comments below then fold this page in thirds so the mailing address shows. Additional pages can be inserted. Remember to affix first class postage. You can also email your comments to POA.donlingoldeis@usace.army.mil, or fax them to (907) 753-5567.

Important topics for comments would include:

- Comments and questions about the accuracy of information in the Draft EIS.
- Comments and questions about the adequacy of methods or assumptions used.
- New information to be considered in preparing the Final EIS.
- New reasonable alternatives or revisions to current alternatives.
- Additional measures to reduce impacts (mitigation).

Section 21

? Restriction on subsistence ? Communities / ^{which} ones / All in the Kuskokwim

* Subsistence resources, NOISE, moose & fish

? Will all the barge traffic effect the subsistence activities

* Along the Kuskokwim near Aniak there is a tractor sunk in the river & a lot of debris in the river.

* Double hull should be in all barges.

* All barge traffic should stop @ Birch Tree King

* What river ? impacts on subsistence lifestyles

Training Facilities - Will there be or will be ^{looking into} training facilities to train the local workers in the middle Kuskokwim area, this will greatly provide ^{jobs in the} well trained region.

Layout of Proposed Mine Site

The image to the right illustrates the eventual layout of a proposed gold mine, ten miles north of the community of Crooked Creek on the Kuskokwim River in southwestern Alaska, for which the US Army Corps of Engineers is preparing an EIS. The project, proposed by Donlin Gold, LLC, includes a natural gas pipeline and transportation and components. You may use this mail-in form to submit comments.
