

The public comment period on the Donlin Gold project has been extended.  
Use this postcard to comment.

5/24/2016

Please send your postcard to the U.S. Army Corps of Engineers with postmark before the May 31, 2016 deadline.

I AM VERY SUPPORTIVE OF THIS PROJECT. THE NATURAL GAS PIPELINE IS A GREAT IDEA, FOR THESE REASONS:

- \* NATURAL GAS IS THE CLEANEST BURN OF ALL FOSSIL FUELS.
- \* THE U.S. HAS HUGE RESERVES OF NATURAL GAS.
- \* WILL REDUCE THE AMOUNT OF BARGE TRAFFIC ON THE KUSKOKWIM RIVER.
- \* NATURAL GAS PIPELINE HAS SUFFICIENT CAPACITY FOR OTHER POWDER GENERATION REQUIREMENTS.

Thanks! Robert H. Stevens
