

The public comment period on the Donlin Gold project has been extended.
Use this postcard to comment.

Please send your postcard to the U.S. Army Corps of Engineers with postmark before the **May 31, 2016** deadline.

I think it's very important 5-25-16
that Donlin Gold has given priority
for hire to the shareholders of
TIC and Calista. That way, the
money being paid out will stay
in our community and contribute
to this economic hardship our
state is going through.

- RAY TINKER

Russian Mission

I hope to get a good paying
job with Donlin Gold when I
get out someday... (U)

Russian Mission of Calista
