Overview:

At the invitation of Yupiiit Nation Chief, Mike Williams, Donne Fleagle presented an update on the Donlin Gold Project EIS at the annual convention of the Yupiiit Nation on Friday, August 22, 2014. Chief Mike Williams coordinated the URS participation. The presentation included a summary of the project components, results of scoping, alternatives under analysis, workshops and studies to fill data gaps, and an overview of the EIS process. Approximately 62 people attended.

Issues Raised:

There were no issues raised. The annual convention was broadcast live by KYUK Bethel.
